**Legend:** Injuries: Red = immediate; Yellow = serious, not life threatening; Green = walking wounded; Black = dead.  
 Line through all injury blocks if no one is injured or trapped. Enter the number of casualties under the appropriate column.

**Instructions:** *S&R Team Leader must ensure that each residence in the sector of the team's zone being assessed is listed and check marks and/or numbers are entered in the blocks that apply. When all are assessed and the appropriate entries are made, the form should be delivered to the Team's Operations Chief or Incident Commander. The Operations Chief/staff will put a slash (/) in the last column when the address and lot number are assigned for action and entered into both the Incident Status and Assignment sheets. An X will be entered when the assignment is complete.*
